Ms. Rosenda Jaureteche

Dear Ms. Jaureteche:

I am replying to your mailgram of October 11 to President Carter concerning the abduction of your son, Osvaldo Raul, in Argentina.

I am pleased to inform you that according to our Embassy in Buenos Aires, Osvaldo returned to his home October 17 following his disappearance two weeks earlier. He released a public statement saying he was a victim of "an incidental relationship with a leader of an extremist organization" and that he had no complaint about the way he was treated.

Sincerely,

ARGENTINA PROJECT (S200000044)
